SUBJECT INDEX, VOLUME 129

Alabama, reproduction in redfin darter 161
Alberta, Canada, sexual dimorphism in *Hyalella azteca* 153
Ambystoma talpoides, timing of reproduction 397
A. tigrinum, parasitized by leech 208
Asio flammeus, diet 282

Behavior, mantids learning by visual cues 215
Birds, diet of short eared owl 282
effects of low frequency electromagnetic fields on birds 96
response to emerging insects 288
Bison bison, grazing in tallgrass prairie 10

Canis lupus, age and breeding 266
Caves, genetics and morphology of *Gammarus minus* 145
Cyperus plukenetii, animal dispersal 352

Ecology animal, bats feed in winter? 200
biomass estimates of insects 234
bird response to emerging insects 288
caching profitability by eastern chipmunks 139
chela size and invasion potential in crayfish 172
color morphs in crayfish 182
crab spider nest placement 241
den selection by raccoons 116
feeding selectivity of American eel 301
insect herbivory 67
low frequency electromagnetic effects on birds 96
marten use of subnivean holes 204
population dynamics of woodrat 248
reproduction in redfin darter 161
reproduction in salamanders 397
seed cache detection by foraging rodents 272
selective predation by margined madtom 309
Ecology, plant acid rain effects on tree seedlings 26
demographics of lichen 373
drought and frost effects on trees 19
fire and grazing in tallgrass prairie 10
flower color in *Hydrophyllum appendiculatum* 406
forest litter decomposition 87
forest succession 1, 384
ginseng 357
growth and photosynthesis of trees 42
growth and phenology of *Geranium maculatum* 52
insect herbivory and N-flux in forests 67
life cycle of *Perideridia americana* 75
old-field communities response to fire and disturbance 410
prey capture and resource parasitism in *Sarracenia purpurea* 35
Etheostoma whipplei, reproduction and sex ratio 161
Evolution, shell morphology of North American tortoises 319

Fish, feeding selectivity of American eel 301
reproduction in redfin darter 161
selective predation by margined madtom 309

Gammarus minus, genetics and morphology 145
Gentiana saponaria, fruit set and seed predation .. 346
Georgia, animal dispersal of sedge 352
Geranium maculatum, pollination and phenology 52
Gopherus spp., shell morphology 319
Gryllus rubens, mating success 223

Helobdella stagnalis, parasite on amphibian 208
Hyalella azteca, sexual dimorphism and mate choice 153
Hydrophyllum appendiculatum, flower color and reproduction 406

Illinois, ecology of ginseng 357
flower color and reproduction in *Hydrophyllum appendiculatum* 406
Indiana, bats feed in winter? 200
leech on amphibian 208
Insects, biomass estimates by length and width .. 234
emerging aquatic insects 288
herbivory-caused greenfall 67
mantids learning by visual cues 215
Instrumentation, microbalance for field use 403
Invertebrates, other than insects, chela size and invasion potential of *Orconectes rusticus* 172
color morphs of *Orconectes virilis* 182
crab spider nest placement 241
Gammarus minus genetics and morphology ... 145
sexual dimorphism and mate choice in *Hyalella azteca* 153

Kansas, bird response to emerging insects 288
fire and bison grazing in tallgrass prairie 10
Kentucky, drought and frost effects on trees 19
life cycle of *Perideridia americana* 75

Lichens, demography ... 373

Maine, crab spider nest placement ... 241
Mammals, age and breeding of wolf ... 266
anesthetizing raccoons ... 210
caching by eastern chipmunk ... 139
den selection by raccoons ... 116
marten use of subnivean holes ... 204
population dynamics of woodrat ... 248
roosts of *Myotis sodalis* ... 132
seed cache detection by foraging rodents ... 272
sexual dimorphism in raccoons ... 257
vole body mass estimates from crania ... 282
Massachusetts, growth and phenology of *Geranium maculatum* ... 52
Michigan, color morphs of *Orconectes virilis* ... 182
prey capture and resource parasitism in *Sarracenia purpurea* ... 35
roosts of *Myotis sodalis* ... 132
Microtus spp., body mass estimates from crania ... 282
Minnesota, old-field communities, response to fire and disturbance ... 410
Misumeta vatia, nest placement ... 241
Montana, vole body mass estimates from crania ... 282
Myotis sodalis, summer roosts ... 132
Myotis septentrionalis and *M. lucifugus* feeding in winter ... 200

Neotoma floridiana, population dynamics ... 248
New York, feeding selectivity of American eel ... 301
forest litter decomposition ... 87
North Carolina, forest succession ... 1, 384
herbivore caused greenfall ... 67
Northwest Territories, Canada, garter snake reproduction ... 336
Noturus insignis, selective predation by ... 309

Ohio, fruit set and seed predation in soapwort gentian ... 346
Oklahoma, demographics of lichen ... 373
woodrat population dynamics ... 248
Oncopeltus fasciatus, as aposematically colored prey ... 215
Orconectes rusticus, chela size and invasion potential ... 172
O. virilis, color morphs ... 182

Panax quinquefolia, ecology ... 357
Parasites, leech on amphibian ... 208
Pennsylvania, caching profitability by eastern chipmunk ... 139
selective predation by margined madtom ... 309
Perideridia americana, life cycle ... 75
Peromyscus maniculatus, seed cache detection ... 272
Physiology, plant, acid rain effects on tree seedlings ... 26
drought and frost effects on trees ... 19
growth and photosynthesis of trees ... 42
Predation, American eel ... 301
birds on emerging insects ... 288
insectivorous plant ... 35
on seeds of soapwort gentian ... 346
selective by margined madtom ... 309
Procyon lotor, anesthetizing techniques ... 210
sexual dimorphism ... 247

Reproduction, age and breeding of wolf ... 266
flower color in *Hydrophyllum appendiculatum* 406
garter snake ... 336
mating success of cricket ... 223
metamorphic and paedomorphic salamanders ... 397
redfin darter ... 161
Reptiles, garter snake reproduction ... 336
tortoise shell morphology ... 319

Sarracenia purpurea, prey capture and resource parasitism ... 35
South Carolina, growth and photosynthesis of trees ... 42
Succession, Southern Appalachian forests ... 1
Piedmont forest ... 384

Tamias amoenus, seeed cache detention ... 272
T. striatus, caching profitability ... 139
Tennessee, acid rain effects on tree seedlings ... 26
den selection by raccoons ... 116
Tenodorid ardifolia, visual cues in learning ... 215
Thamnophis sirtalis, reproductive ecology ... 336

West Virginia, biomass estimates of insects ... 234
Wisconsin, chela size and invasion potential of *Orconectes rusticus* ... 172
effects of low frequency electromagnetic fields on birds ... 96
Wyoming, marten use of subnivean holes ... 204

Xanthoparmelia cumberlandii, life expectancy and growth ... 373
